Department Description

Lawson Health Research Institute - Department of Paediatrics

The Division of Paediatric Surgery is seeking a Research Assistant to assist in designing and implementing a wide range of studies from patient based randomised controlled trials to retrospective chart reviews and basic science studies. The Division is comprised of 13 clinically active surgeons who have many different research interests such as the education of students and different treatment of pediatric surgical diseases.

Rate of Pay: To commensurate with experience

Hours of Work: 37.5 hours per week

Duration of Contract: 12 months (with possibility of renewal)

Qualifications

- Successful completion of a Bachelor's Degree in clinical research, epidemiology or other related discipline
- Successful completion of a Master's Degree in clinical research, health research methodology or other related discipline
- Minimum of 1 (one) year recent, related experience in research in a health care environment
- Demonstrated knowledge of medical terminology preferred
- Demonstrated proficient skills in literature searches and preparation of research data and findings
- Demonstrated proficiency in the use of web-based functionality, word processing, presentation and statistical software (REDCap, SAS, Microsoft Word, Excel and PowerPoint)
- Demonstrated excellent time management skills
- Previous experience in preparing manuscripts and research grants
- Demonstrated ability to work independently with minimal supervisor, and as a member of a team collaborating with clinical experts, trainees and other allied health care professionals
- Demonstrated organizational and analytical skills
- Detail oriented with exceptional interpersonal and communication skills (both written and verbal)
- Proven flexibility with a high level of initiative and self-direction
- Demonstrated knowledge of and commitment to the principles of patient and family centred care
- Demonstrated knowledge of and commitment to patient and staff safety
- Demonstrated ability to attend work on a regular basis

London Health Sciences Centre fosters a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

We are committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

As part of the assessment process applicants may be required to complete a written examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory vulnerable sector police check (original document) completed in the last 8 months.
