

Summer Research Student - 2 positions	Posting #: 36987
Lawson Health Research Institute, Department Physical Medicine & Rehabilitation	Posting Date: May 10, 2017
Parkwood Institute - Main Building	Submission Deadline: May 16, 2017
Full Time	Tina Ceneviva, Human Resources
Non-Union	

Term position, anticipated to extend until August 31, 2017, subject to the availability of work.

The successful candidate will work under the direction of Dr. Robert Teasell in the role of the "Summer Research Student". The position involves assisting the research staff with various tasks (e.g., conducting literature searches, data extraction/entry) as part of ongoing research. The majority of assigned projects will be related to our research databases which are focused on the rehabilitation of individuals after stroke (Evidence Based Review of Stroke Rehabilitation; [www.ebrsr.com](http://www.ebrsr.com)), brain injury (Evidence Based Review of Acquired Brain Injury; [www.abiebr.com](http://www.abiebr.com)), or spinal cord injury (the Spinal Cord Injury Rehabilitation Evidence Review; [www.scireproject.com](http://www.scireproject.com)). This position is located in the Parkwood Institute Research Centre of Lawson Health Research Institute at Parkwood Institute, main hospital, London.

#### Essential Qualifications

- Bachelor's Degree or College Diploma in process
- Experience with MS Office applications and Western University libraries
- Detail oriented with strong communication and writing skills
- Good judgment, initiative and organizational skills
- Good communication skills
