Department Name

Lawson Health Research Institute - Department of Psychiatry

First Episode Mood and Anxiety Program (FEMAP) - 860 Richmond Street, London

The Research Assistant (RA) works collaboratively with the research team under the direction of the Principal Investigator and Research Coordinator, assisting with research activities related to emerging adults (age 16-25) with mood and/or anxiety disorders. Specific activities may include: participant recruitment, interviewing, and telephone follow-up; developing and maintaining study databases; data entry and checking; conducting literature database and internet searches; assisting with research presentations, posters and manuscripts; and routine administrative and clerical duties. The RA is responsible for maintaining a system for effective data flow throughout the course of each project.

Rate of Pay: To commensurate with experience

Hours of work: Temporary Full-Time 37.5 hours per week

Duration of Contract: June 2017 - May 31, 2018

Qualifications

- Successful completion of Bachelor's Degree in Psychology or related field of study
- Successful completion of a Masters Degree preferred
- Experience in health-related research or practice preferred, ideally with mental health care
- Clinical interviewing and assessment experience is an asset
- Knowledge of or ability to learn research ethics is essential
- Demonstrated computer proficiency including Microsoft Office and literature databases
- Proficiency in using SPSS, Microsoft ACCESS, REDCap and/or NVivo an asset; ability and willingness to learn them is essential
- Demonstrated excellent verbal and written communication skills
- Demonstrated excellent organizational and time management skills
- Ability to work independently as a member of an interdisciplinary team while managing multiple projects
- Demonstrated ability to recognize own knowledge gaps and seek help/support when needed
- Demonstrated knowledge of and commitment to the principles of patient and family centred care
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC
- Demonstrated ability to attend work on a regular basis

London Health Sciences Centre is committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory police information check (original document) completed in the last 3 months.
