Department Name

Lawson Health Research Institute (Lawson) is the research institute of London Health Sciences Centre and St. Joseph's Health Care London. As one of Canada's top ten research institutes, we are committed to furthering scientific knowledge to advance health care around the world.

The Research Assistant is responsible for screening, conducting informed consent procedures, and enrolling patients into clinical trials at Victoria Hospital and St. Joseph's Hospital. The incumbent will assist in data collection; data entry and safety follow up phone calls. The Research Assistant will play a key role assisting physicians with enrollment of study patients during the clinic hours.

Rate of Pay: To commensurate with experience

Hours of Work: 15-25 hours per week

Duration: 6-12 months

Qualifications

- Successful completion of a Bachelor's Degree or post-secondary education in a related field
- Recent experience in a similar role; preferable in a research environment
- Proficient computer knowledge including Microsoft Office and data entry systems
- The ideal candidate will have the relevant previous training, including the institution and clinical research requirements of Lawson Health Research Institution and London Health Sciences Centre
- High degree of accuracy and attention to detail is essential
- Excellence time management skills, reliable and responsible
- Verbal communication skills with ability to communicate effectively with research participants, including explaining research procedures
- Demonstrated knowledge of and commitment to the principles of patient and family centred care
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC
- Demonstrated ability to attend work on a regular basis

London Health Sciences Centre is committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory police information check (original document) completed in the last 3 months.
