Department Name

Lawson Health Research Institute (Lawson) is the research institute of London Health Sciences Centre and St. Joseph's Health Care London. As one of Canada's top ten research institutes, we are committed to furthering scientific knowledge to advance health care around the world.

The Research Assistant will be responsible for assisting the Research Coordinator and project team with research activities related to clinical research trials. Specific activities may include: participant recruitment, interviewing, administering surveys; writing study ethics protocols; developing and maintaining study databases and with data entry and checking; statistical analysis; conducting literature database and Internet searches; preparing reports, research presentations and posters; and routine administrative and clerical duties.

Rate of Pay: To commensurate with experience

Hours of Work: 20 hours per week

Duration: 12 months

Qualifications

- Successful completion of Bachelor's Degree in Health Sciences or a related field of study
- Experience in health-related research or practice preferred, ideally with patient contact
- Knowledge of research ethics such as Tri-Council Policy, UWO HSREB Ethics procedures, and PHIPA
- Demonstrated computer proficiency including MS Office
- Demonstrated proficiency with SPSS and/or other quantitative statistical skills an asset
- Demonstrated excellent verbal and written communication skills
- Demonstrated excellent organizational and time management skills
- Ability to work independently and as a member of an interdisciplinary team while managing tight deadlines
- Demonstrated knowledge of and commitment to the principles of patient and family centered care
- Demonstrated knowledge of and commitment to patient safety at LHSC
- Demonstrated ability to attend work on a regular basis

London Health Sciences Centre is committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory police information check (original document) completed in the last 3 months.
