

LAWSON COMPLIANCE WAIVER

Registration for Western paid employees, graduate students, undergraduate students or work study students conducting clinical research at Lawson

All individuals involved in research at Lawson who are not hospital-paid employees must be registered with Lawson (LHSC). We have established a registration process to ensure that Lawson is aware that these individuals are on site and that they have completed all of the required training. Our goal is to provide everyone with the knowledge to make them aware of how to work safely in research.
