Open: January 11, 2019

Deadline: January 18, 2019

Non-Union

Department Name

Lawson Health Research Institute (Lawson) is the research institute of London Health Sciences Centre and St. Joseph's Health Care London. As one of Canada's top ten research institutes, we are committed to furthering scientific knowledge to advance health care around the world.

Dr. Richard Kim and his team have been awarded a Research Excellence Program Award through the Ontario Research Fund. This position will provide an excellent opportunity for a dynamic individual with the demonstrated ability to execute, monitor, manage, control and close projects to ensure deliverables and timelines are met.

Rate of Pay: To commensurate with experience

Hours of Work: 18.75

Duration: Temporary, due to grant funding which will end September 2021

Qualifications

- Successful completion of a three (3 year) Undergraduate Degree in Business, Health Sciences, or Science
- Certification in Project Management and/or Clinical research (SOCRA or ACRP) desired
- Minimum 3 years recent related experience in a similar role; preferably in a research environment
- Knowledge of research funding and required elements for successful implementation of the projects within a grant
- Experience with report writing and the understanding of technical documents would be an asset
- Project management experience in leading projects with attention to detail and meeting deadlines
- Demonstrated excellent interpersonal skills with the ability to network and maintain professional relationships
- Demonstrated ability to work independently and as an effective team member when liaising with all levels of the organization
- Excellent communication skills with the ability to communicate complex information to decision makers and key stakeholders in a clear and concise manner
- **Demonstrated analytical skills, excellent time management and organizational skills with the ability to problem solve independently**
- Familiarity with Microsoft Office Suite, Outlook and database software
- **Ideal applicant will be reliable and demonstrate the ability to attend work on a regular basis**
- **Demonstrated knowledge of and commitment to the principles of patient and family centred care**
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC

London Health Sciences Centre fosters a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

We are committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory Police Information Check (original document) completed in the last 3 months
