LAWSON GENERAL POSTING

If you are interested in employment with Lawson Health Research Institute but have **not chosen a specific position to apply to**, we invite you to submit your resume to this posting to be considered.

As noted above, this is a general posting. Therefore, if you see a specific position posted on our careers site that you are interested in, please submit an application to that job specifically as each posting is treated independently.

As a part of our continuous improvement efforts to reduce waste and cost, we only accept electronic applications for positions at London Health Sciences Centre. Please be assured that your application is kept on file for 6 months from the date that you've applied. We ask that you only apply once during that time to this general posting.

London Health Sciences Centre fosters a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct. Please visit our website for more information.

We are committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

As part of the assessment process, applicants may be required to complete a written examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Successful candidates, as a condition of job offer, are required to provide a satisfactory police information check (original document) completed in the last 3 months and proof of immunizations as listed below. This information must be provided prior to the candidate's start date.

Immunization Requirements:

- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox), Hepatitis B, Tetanus/ Diphtheria/Polio; Meningitis.
- Provide documentation of the Tuberculosis skin testing (two step)
